2. Maintenance and HQS. The owner must maintain the contract unit in accordance with HQS. The PHA shall not make any housing assistance payments if the contract unit does not meet HQS, unless the owner corrects the defect within the period specified by the PHA and the PHA verifies the correction.

3. Housing assistance payments. Each month the PHA pays the owner a housing assistance payment on behalf of the family. Payments begin on the effective date of this contract. The owner is not entitled to housing assistance payments for any month after the month in which the family moves out, and must promptly return any payment received for a period after move-out.

4. Owner may not demand excess payment. The owner may not demand or accept any rent payment from the tenant in excess of the family's share as determined by the PHA, or any other payment for rent of the unit, and must immediately return any excess rent payment to the tenant.

5. Rent to owner. Rent to owner may not exceed the amount approved by the PHA. The owner must notify the PHA at least 60 days before any change in rent to owner.

6. Prohibition of discrimination; access to records. The owner must comply with all equal opportunity requirements and must give the PHA and HUD access to the premises and records.
